

Barton Teddy Festival

**£5,500
RAISED
FOR
CHARITY!**

Thank you!

What an incredible event!

The sun shone, the music played, bunting flapped gently in the wind, and even the wasps stayed away from our candy floss machine. Everywhere I looked, happy faces smiled and chatted, catching up with old friends and making new ones. No doubt there was a healthy sprinkling of new Bartonians wondering what on earth was going on!

None of this would be possible without you, our supporters. Whether you were a ride volunteer, manned the passport office, cooked burgers, directed traffic, showcased the many and varied Barton clubs, or sponsored us, you were the reason the event happened, and we are so, so grateful to you. We hope you loved it.

Altogether, thanks to your incredible generosity, we raised a whopping £5,500 for charity, which is detailed below, and it will go a long way.

We hope you'll support us again next year, and please encourage your friends to get involved as we always need more volunteers to join the fun!

With love and thanks on behalf of the whole Festival Committee

Lucy James, Festival Chair 2024

Our charity

Our chosen charity this year is **The Pathway Project**, a small charity based in Lichfield which supports adults and young people experiencing or affected by domestic abuse. You can find out more about the invaluable work they do by visiting www.pathway-project.co.uk.

Next year, we will be raising money to support **Kids' Village**, being established in Wychnor, and will be the UK's first purpose-built holiday village just for children with critical illness and their families. More about them and their journey can be found via www.kidsvillage.org.uk/
